

Fort Caroline Baptist Academy VPK suggested donated supply list

When purchasing a backpack please choose a standard size so that your child's communication folder and library books will fit.

Parents as you know VPK is free, but the money the state pays does not cover the entire cost to our program. If at all possible we ask that you help by providing the following supplies.

- 2 large glue sticks
- 1 pack baby wipes (*for messy art*)

- Multi pack of Lysol wipes
- 1 can Lysol spray
- 1 box Generic Ziploc bags (*quart or gallon only*)
- 1 large bottle Elmer's glue
